

In celebration of the 50th Anniversary of Art Van Furniture, Chairman and Founder Art Van Elslander has provided 1 million dollars to fund 50 grants to Michigan Charities. The grants ranging from \$5,000 to \$50,000 support programs serving children as well as health and human services throughout the state of Michigan.

The Rainbow Connection is honored to be selected as a recipient of a \$10,000.00 grant from the Art Van Million Dollar Charity Challenge! The grant will help fund our Emergency Needs Special Response program which provides support services to our wish children and their families.
