

Celebration of Dreams

December 2, 2007

The lights were bright as nine wish children strolled down the runway at the third annual Celebration of Dreams fashion show benefiting The Rainbow Connection. All nine models were stars for the day at this fundraiser for Michigan children diagnosed with life threatening illnesses. Fashions worn were provided by Wal-Mart stores and given to the children as a special gift following the show! The gala event took place at Great Oaks Country Club in Rochester where over 200 guests enjoyed the gourmet hors d'oeuvres, live and silent auction and the great feeling that comes with helping neighbors during hard times.

More than \$60,000 was raised to make dreams come true for children throughout Michigan.
