The Rainbow Connection is a local organization that focuses its efforts exclusively on Michigan children and their families. Founded in 1985 by L. Brooks Patterson in memory of his best friend and two children who died in a plane crash, The Rainbow Connection is a Michigan-based 501c3 charity dedicated to granting wishes for children who are literally fighting for their lives. From something as simple as a new computer to meeting the President of the United States at the White House, to the most requested wish of all, a trip to Disney World, The Rainbow Connection has made dreams come true for over 2000 children.

The Rainbow Connection also provides support services, information and referral, special holiday get-togethers and picnics, and college scholarships for wish children. The Rainbow Connection receives no federal funds and depends exclusively on the kind generosity of our supporters. Eighty-seven cents of every dollar goes to granting Michigan children a wish.
